Notes-

To qualify for an air card there must be at least six members attending (nonmembers or guests do not count). Cards are mailed to the host by the treasurer. Please allow 7 days for delivery.

The Club has preferred shops for air cards. We ask that you select one of those shops because we get a discount on our card purchases. If you want a card for another dive shop you will need to purchase the air card and submit a receipt for reimbursement along with this form. The Club pays for air cards only. No reimbursement for Nitrox cards.
